1. General information

This guide explains how to reserve full-rate accommodation and provides information on check-in/out, deposit return and cancellation procedures.

Accommodation is only available to students who are enrolled or intend to enrol in one of the following programmes at Politecnico di Milano:

- ✓ Laurea programme
- ✓ Single-cycle Laurea Magistrale (equivalent to Master of Science) programme
- ✓ Laurea Magistrale programme starting in first or second semester
- ✓ PhD programme and specialising research course (**if not recipient of another scholarship or Temporary Research Fellowship**).
- ✓ International students who are part of an international mobility programme.

For students enrolling in the first year of any programme, the reservation deadline is earlier than the registration or enrolment deadline. You will still be able to reserve a place in our halls of residence, but please note that in the event that you do not enrol at Politecnico or do not obtain an entry visa, the amount paid for the accommodation reservation will not be refunded.

Students are therefore urged to be cautious when applying for accommodation

- ✓ have no outstanding financial debt towards Politecnico di Milano.

- ✓ Allocated rooms and/or halls of residence cannot be changed.
- ✓ **Single and double rooms with a communal bathroom are only occupied by students of the same gender.** In non-single gender residences (arranged into single and double rooms in a flat, with communal bathroom and kitchen), **priority is given to students of the same gender**; each residence (but not the bedroom) may be occupied by persons of a different gender only if absolutely necessary.
- ✓ If the student leaves for more than 48 hours, he/she must notify the residence manager by e-mail and their absence does not give rise to any reduction in the accommodation deduction.
- ✓ **Checking out earlier than the allotted time slot does not entitle you to a refund** except in the cases outlined in the relevant section.

3. Reserving procedures

Students who have already enrolled or who intend to enrol at Politecnico di Milano can reserve accommodation at full rate, subject to availability, by following the procedure on the online reservation system at www.residenze.polimi.it.

To reserve your accommodation, you must:

- ✓ log on to the reservation [platform](#).
- ✓ If you already have Politecnico di Milano login details, click on the LOGIN button; otherwise, you will need to register with the university's online services portal by clicking on the ACCREDITAMENTO button and then login.
- ✓ check availability, choose halls of residence, room type, period to be reserved, payment method and save reservation.

If you click on SAVE and you do not receive a reservation confirmation, this means that in the meantime another reservation request has been finalised for that accommodation by another student.

- ✓ Make the payment within 24 hours to confirm the reservation, otherwise the reservation will be cancelled and the slot may be reserved by someone else.

Payment must be made via **pagoPA**, in one of the following ways:

- ✓ **Bimonthly instalments:** by paying, at the time of reservation, the first of 5 instalments for the whole year or the first of 3 instalments for the single semester (and the security deposit, if due).

Periods available

- ✓ Annual reservation
- ✓ 1st semester reservation
- ✓ 2nd semester reservation

The dates of the individual periods will be published on the [website](#) in the reservation section for full-rate students.

When to make an annual reservation and when to make a reservation for the first semester Reservations for the **WHOLE YEAR** or for the **FIRST** semester will open at the beginning of **July**: the date will be published on the residences' website home page by **mid-June**.

Full-rate students already in halls of residence in the previous academic year will have priority over new students when reserving.

NB: For annual and first semester reservations, there will be three stages:

Stage 1: reserved for existing students who wish to confirm the same type of room in the same halls of residence

Stage 2: reserved for students who are already residents and wish to change their room type in the same halls of residence or change halls of residence

Stage 3: reserved for new students

When to make a reservation for the second semester

Reservations for the **SECOND** semester will open in **January**: the date will be published on the residences' website home page by the end of **December**.

Full-rate students already in halls of residence in the previous semester will have priority over new students when reserving.

NB: For reservations in the second semester, there will be two phases:

Stage 1: reserved for existing students who wish to confirm the same type of room in the same halls of residence

Stage 2: reserved for new students and existing students who wish to change their room type in the same halls of residence or change halls of residence.

The pre-emptive right on the reservation does not guarantee confirmation of the accommodation.

Places occupied by full-rate students and not confirmed by pre-emptive right holders may will be made reservable via the portal.

If during the year places should become available that were initially allocated to other students, they will be put on offer at full rate, but cannot be reconfirmed for the following year.

NB: Students may not choose their room or roommate: the allocation will be made by the Housing & Dining Unit.

4. Security deposit, payment method and deadlines

Reservations require payment for the entire reserved period (annual or six-monthly), regardless of the date of actual arrival at the halls of residence, and the payment of a non-interest-bearing **security deposit, the amount of which will be established annually and published on the [website](#) in the rates section.**

If the security deposit has already been paid in previous years and has not been refunded, the student does not need to pay it again.

It can be paid in a lump sum or in instalments via the **PagoPA** platform by following the instructions published [in the relevant section of the website](#).

Once the payment method has been selected, you will not be able to change it.

The **ONE-OFF PAYMENT** is made in full at the time of reservation, within 24 hours of the request; the **INSTALMENT PAYMENT**, on the other hand, involves the payment of a first instalment at the time of reservation and the payment of subsequent instalments according to the following deadlines:

the **1st** instalment is paid at the **time of reservation**

the **2nd** instalment is requested at the beginning of **October**,

For the second semester, however, it will only be possible to make reservations with instalment payments until **mid-March 2023**. After that date, only lump sum payments will be possible.

Failure to pay the fee by the deadline will result in a 10% late interest on the instalment.

Failure to pay the instalment + late interest will result in the initiation of debt collection proceedings, which may go as far as freezing your academic year. In order to have this freezing undone, the student must correct the situation by paying the debt by the deadline set for enrolment in the degree exam.

5. Rates

The rates of Politecnico di Milano accommodation depend on the halls of residence and type of accommodation. The amounts indicated in the [rate list](#) are per person and include, in addition to the allocation of accommodation, utilities, the use of communal kitchens and all the services offered in the reserved residence, which can be found and are detailed on the web page of each residence.

If the termination request is accepted, the reimbursement will be made as follows:

- ✓ Payment by instalments (both **ANNUAL** and **SIX-MONTHLY**) the student is required to pay all instalments issued before the notice is sent; only in the case of a graduation in April is the student required to communicate the check-out date by **mid-March**.
- ✓ One-off payment for the **ENTIRE YEAR**, if the notice is sent:
by **1 December** there is a refund of **50%** of the amount; by **1 April** there is a refund of **10%** of the amount;
